8.1 Term. This Agreement shall commence on the Effective Date and continue in effect until terminated as provided herein.

8.2 Termination. Licensee may terminate this Agreement at any time upon written notice to Licensor. 9. GENERAL PROVISIONS

9.1 Entire Agreement. This Agreement, as well as the Services Agreement, constitutes the entire agreement, and supersedes all prior negotiations, understandings or agreements (oral or written), between the parties about the subject matter of this Agreement. Terms set forth in Licensee's Purchase Order (or any similar document) that are in addition to or at variance with the terms of this Agreement are specifically waived by Licensee. All such terms are considered to be proposed material alterations of this Agreement and are hereby rejected. No waiver, consent or modification of this Agreement shall bind either party unless in writing and signed by the party against which enforcement is sought. The failure of either party to enforce its rights under this Agreement at any time for any period will not be construed as a waiver of such rights. If any provision of this Agreement is determined to be illegal or unenforceable, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable.

9.2 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of South Carolina, without regard to its conflicts of law provisions.

9.3 Remedies. Unless specifically provided otherwise, each right and remedy in this Agreement is in addition to any other right or remedy, at law or in equity. Licensor's decision to elect not to enforce any right it may have at law or in equity under this Agreement shall not constitute a waiver of that right. Licensee agrees that, in the event of any breach or threatened breach of Section 4 or 5, Licensor will suffer irreparable damage for which there is no adequate remedy at law. Accordingly, Licensor shall be entitled to injunctive and other equitable remedies to prevent or restrain such breach or threatened breach, without the necessity of posting any bond.

9.4 Notices. Any notice or communication hereunder shall be in writing and either personally delivered or sent via confirmed facsimile, recognized express delivery courier or certified or registered mail, prepaid and return receipt requested. Notices shall be delivered to the address specified by Licensee when the Software was ordered, or to the address above for Licensor, as the case may be, or at such other address designated in a subsequent notice. All notices shall be in English, effective upon receipt.

9.5 Assignment. This Agreement and the rights and obligations hereunder are personal to Licensee, and may not be assigned or otherwise transferred, in whole or in part, without Licensor's prior express written consent. Any attempt to do otherwise shall be void and of no effect. Without Licensee's consent, Licensor may assign this Agreement to any third party. This Agreement shall be binding upon, and inure to the benefit of, the successors, representatives and permitted assigns of the parties.

9.6 Independent Contractors. The parties shall be independent contractors under this Agreement, and nothing herein will constitute either party as the employer, employee, agent or representative of the other party, or both parties as joint venturers or partners for any purpose.

9.7 License to the Government. The Software and related documents are "Commercial Items", as that term is defined at 48 C.F.R. §2.101, consisting of "Commercial Computer Software" and

"Commercial Computer Software Documentation", as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4, as applicable, the Commercial Computer Software and Commercial Computer Software Documentation are being licensed to U.S. Government end users (a) only as Commercial Items and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions herein. Unpublished rights are reserved under the copyright laws of the United States. If any user of the Software or Documentation is a department, agency or other entity of the United States Government, the use, duplication, reproduction, modification, release, disclosure or transfer of the Software and Documentation is restricted in accordance with FAR 12.212 for civilian agencies and DFAR 227.7202 for military agencies. The Software is commercial computer software and the Documentation is commercial computer software documentation, and their use is further restricted in accordance with the terms of this Agreement.

9.8 Basis of Bargain. EACH PARTY RECOGNIZES AND AGREES THAT THE WARRANTY DISCLAIMERS, LIABILITY LIMITATIONS AND REMEDY LIMITATIONS ARE MATERIAL BARGAINED-FOR BASES OF THIS AGREEMENT AND THAT THEY HAVE BEEN TAKEN INTO ACCOUNT BY EACH PARTY AND REFLECTED IN DETERMINING THE CONSIDERATION TO BE GIVEN BY EACH PARTY HEREUNDER AND IN THE DECISION TO ENTER INTO THIS AGREEMENT.

9.9 Acknowledgment. Licensee acknowledges that (a) it has read and understands this Agreement, (b) it has had an opportunity to have its legal counsel review this Agreement, (c) this Agreement has the same force and effect as a signed agreement, (d) Licensor requires identification of the User and Licensee before issuing this license and (e) issuance of this license does not constitute general publication of the Software or any other Confidential Information.
